Pengenalan

Introduction

Photographers of all ages, backgrounds, experience and entry levels are invited to enter Seberang Perai's very own photography competition and award programme. Aimed at photography enthusiasts, the judges are looking to award the best shots, with the theme, #MyPekanLama

These photography awards aim to discover the hidden talents of Seberang Perai citizens, while promoting the appreciation of our heritage and bring back the glorious charm of Butterworth "Pekan Lama", which was once a bustling seafront port city. Through the photography competition, the heritage, social lifestyle, multi-ethnic culture and trade will be captured and promoted to the public. Its potential as a new Invest, Stay, Leisure & Work (ISLW) destination will also send a strong message to the Seberang Perai Community about conserving our past for future generations to come.
