# SUSTAINABLE DEVELOPMENT GOALS

## 1 NO POVERTY

### 1. No Poverty

To end poverty, everyone should have basic healthcare, security and education.

## 2 ZERO HUNGER

### 2. Zero Hunger

Globally, one in nine people are undernourished. This goal aims to end hunger.

## 3 GOOD HEALTH AND WELL-BEING

### 3. Good Health

Ensuring people live healthy lives can cut child mortality and raise life expectancy.

## 4 QUALITY EDUCATION

### 4. Education

The UN wants everyone to have access to inclusive, equitable quality education.

## 5 GENDER EQUALITY

### 5. Gender Quality

Gender equality is a human right, and is vital for a peaceful, prosperous world.

## 6 CLEAN WATER AND SANITATION

### 6. Clean Water

Clean water protects people from disease, yet three in 10 people lack access to it.

## 7 AFFORDABLE AND CLEAN ENERGY

### 7. Clean Energy

Targets for 2030 include using more renewable, affordable energy.

## 8 DECENT WORK AND ECONOMIC GROWTH

### 8. Economic Growth

The aim is for sustainable economic growth and decent employment for all.

## 9 INDUSTRY, INNOVATION AND INFRASTRUCTURE

### 9. Industry and Infrastructure

This involves building resilient infrastructure and fostering innovation.

### 10. No Inequality

The poorest 40 per cent of the population should be able to grow their income faster than average.

### 11. Sustainability

The UN wants to increase affordable housing and make settlements inclusive, safe and sustainable.

### 12. Responsible Consumption

This goal aims to foster eco-friendly production, reduce waste and boost recycling.

### 13. Climate Action

Urgent action is needed, by regulating emissions and promoting renewable energy.

### 14. Life Underwater

The aim is to conserve and sustainably use the oceans, seas and marine resources.

### 15. Life On Land

To stop degradation, we must preserve forest, desert and mountain ecosystems.

### 16. Peace & Justice

The aim is inclusive societies with strong institutions that provide justice for all.

### 17. Partnership

If all countries are to achieve the goals, international cooperation is vital.

### One Baby One Tree program at Vision Park, SPU

- 24 December 2019

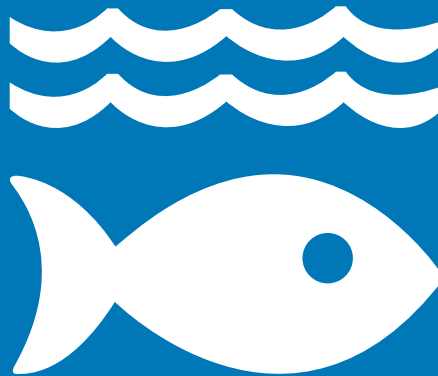

# SDG 14

**14** LIFE  
BELOW WATER

The aim is to conserve and sustainably use the oceans, seas and marine resources.

Conserve and sustainably use the oceans, seas and marine resources for sustainable development. By 2025, prevent and significantly reduce marine pollution of all kinds, in particular from land-based activities, including marine debris and nutrient pollution. Sustainably manage and protect marine and coastal ecosystems to avoid significant adverse impacts, including by strengthening their resilience, and take action for their restoration in order to achieve healthy and productive oceans.

## Cleaning Program at Pantai Robina in conjunction with World Ocean Day

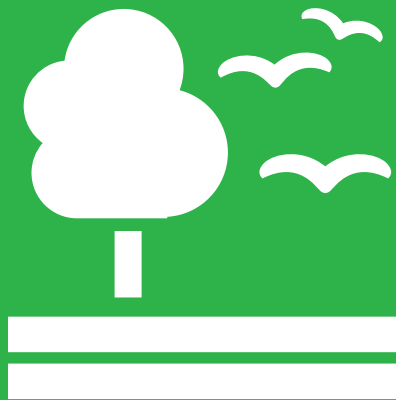

- 6 July 2019

# SDG 15

**15** LIFE  
ON LAND

To stop degradation, we must preserve forest, desert and mountain ecosystems.

Protect, restore and promote sustainable use of terrestrial ecosystems, sustainably manage forests, combat desertification, and halt and reverse land degradation and halt biodiversity loss. Ensure the conservation, restoration and sustainable use of terrestrial and inland freshwater ecosystems and their services, in particular forests, wetlands, mountains and drylands, in line with obligations under international agreements. Promote the implementation of sustainable management of all types of forests, halt deforestation, restore degraded forests and substantially increase afforestation and reforestation globally.
