MAJLIS PENYAMPAIAN HADIAH PERTANDINGAN PIDATO PIALA DATUK BANDAR & PERTANDINGAN VIDEO KREATIF TIKTOK BERKAITAN HAIWAN KESAYANGAN - 26 SEPTEMBER 2022

Sempena Sambutan Ulang Tahun Hari Bandaraya Seberang Perai Ke-3 2022, MBSP telah melaksanakan dua (2) pertandingan yang berhubung kait dengan haiwan peliharaan atau haiwan kesayangan untuk memberi kesedaran kepada orang ramai dan murid-murid sekolah melalui Pertandingan Pidato Piala Datuk Bandar dengan tema “Ke Arah Bandaraya Haiwan Terbiar Sifar” dan Pertandingan Video Kreatif Tiktok berkaitan Haiwan Kesayangan melalui tema “Sayangi Haiwan Peliharaan, Selamatkan Haiwan Terbiar”.

Pertandingan pidato adalah salah satu bentuk aktiviti berteraskan kemahiran berfikir aras tinggi yang semakin diangkat sebagai aktiviti kokurikulum yang utama. Pelajar sekolah rata-rata masih tidak menyedari kewujudan Pihak Berkuasa Tempatan (PBT) serta peranannya. Sehubungan itu, menerusi pertandingan sebegini, para pelajar dapat memahami tanggungjawab dan boleh memainkan peranan di dalam menyampaikan sumbang saran idea dalam menyelesaikan masalah utama yang dihadapi oleh PBT. Program ini juga dapat merangsang minda pelajar bagi meneroka dan menyumbang idea yang kritis dalam menyelesaikan isu haiwan berkeliaran yang dihadapi oleh Pihak Berkuasa Tempatan. Pertandingan Video Kreatif Tik Tok pula secara tidak langsung dapat meningkatkan kesedaran masyarakat tentang konsep haiwan terbiar dan haiwan kesayangan menerusi penggunaan aplikasi media sosial.

PRIZE PRESENTATION CEREMONY OF THE MAYOR'S CUP SPEECH COMPETITION & CREATIVE PET VIDEO COMPETITION - 26TH SEPTEMBER 2022

In conjunction with the 3rd Anniversary of Seberang Perai City Day 2022, MBSP has implemented two (2) competitions related to pets to bring awareness to the public and school students through the Mayor's Cup Speech Competition with the theme "Towards a City of Zero Abandoned Animals" and a Tiktok Creative Video Competition related to Pets through the theme "Love Pets, Save Abandoned Animals".

Speech competition is a form of activity based on high-level thinking skills that is increasingly being promoted as a major co-curricular activity. Average school students are still unaware of the existence of Local Authorities (PBT) and its role. Therefore, through this kind of competition, students can understand their responsibilities and play a role in brainstorming ideas in solving the main problems faced by the local government. This programme can also stimulate students' minds to explore and contribute critical ideas in solving stray animal issues faced by Local Authorities. The Tik Tok Creative Video Competition, on the other hand, is able to indirectly increase public awareness about the concept of abandoned animals and pets through the use of social media applications.

Usually, they are involved in cleaning work that is full of challenges such as fallen trees, blocked drains and gutters, flood disasters and so on. The Orange heroes are always ready to face various crises and disasters including urgent clean-up work that needs to be done by MBSP. This programme is a tribute to them and certificates are also given to all these Orange Heroes. Congratulations!
