As the President of MPSP, I feel very fortunate to be with you all in this program which is in line with cleaner, greener, safer and healthier Penang.

For your information this program is also inline with Majlis Perbandaran Seberang Perai focus which is eco-community that is the engagement with the community or the engagement with the stakeholders. MPSP will organize more programs with the community and other stakeholders in order to establish a healthy, clean, and beautiful. As I know this village had a very a very beautiful view and the structure are well organize.

MPSP has also organized various activities of mutual assistance to ensure cleanliness of the village, and I wish all the residents can work with MPSP to maintain cleanliness in the village.
